"...This is a very nice park. It is well maintained... The sites are very long. ... Lots of grass area around each site with picnic table. Bill and Sarah are very nice and helpful. This campground is exactly like the pictures shown on the website. If you like to fish, the White River is the place. ..."

"...Long pull thru. River view, but you must pull in and stretch your connections to look out over the river. ..."

"...Park has back in sites on White River. All others are pull throughs and most have view of river. ..."
