Reviews from Other Campers: 1) The following excerpts are from a campground description found in the "U.S. National Forest Campground Guide" web site (<http://www.forestcamping.com/index.htm>) : "...This is a walk-in tent campground only. It stretches 0.7 miles above Sawmill Valley and Lee Vining Creek. The first camp site is 0.15 miles from parking lot. Sites 11 and 12 (next to the Harvey Monroe Hall National Area border) are 0.2 miles from camp site 10. Solitude, breathtaking vistas, hiking opportunities, etc. all make this campground an awesome experience. Bear-proof food containers are available. Tioga Pass Resort has limited groceries, fishing supplies and offers breakfast, lunch and dinner. Day trips should be considered to Yosemite National Park and Mono Basin Scenic Area...This is bear country; practice safe food storage techniques..."
