Reviews from Other Campers: 1) The following excerpts are from a campground description found in the "U.S. National Forest Campground Guide" web site (<http://www.forestcamping.com/index.htm>) : "...The campground is a long loop that follows the Santa Anna River. It has a "tail" section, separated by Santa Anna Creek, for tents only; all are walk-ins. Many of the camp sites have a view of mountains and some overlook the river. A delightful mixture of cedars, pines, and firs provide ample shade and a restful atmosphere. Firewood is available for a fee. Limited groceries are available at Angelus Oak, CA, west of campground on State Rt. 38...This is bear country; practice safe food storage techniques...The parking aprons are paved..."
