Reviews from Other Campers: 1) The following excerpts are from a campground description found in the "U.S. National Forest Campground Guide" web site (<http://www.forestcamping.com/index.htm>) : "...This tent-only campground hugs a bank of Trinity Lake. Cedar and Ponderosa pine provide shade. Manzanita, Mountain Mahogany, grass along with well separated walk-in campsites, give good privacy. Just off State Rt. 3, traffic noise can be heard throughout campground. ...This is bear country; practice safe food storage techniques...Trinity Lake is 16,400 acres..."
