Reviews from Other Campers: 1) The following excerpts are from a campground description found in the "U.S. National Forest Campground Guide" web site (<http://www.forestcamping.com/index.htm>) : "...The campground, on west bank of Bucks Lake, has two loops with camp sites in both loops at the water's edge. All sites have scenic views of the lake and Bucks Lakes Wilderness, across the lake. Mooring of boats is possible at many camp sites. A pleasant mixture of fir and pine trees provide ample shade. The campground is one five in the Bucks Lake Recreation Area and is closest to the dam...This is bear country; practice safe food storage techniques...The parking aprons are paved...Bucks Lake is 1,827 acres. Sandy Point boat ramp is 0.6 miles north of campground..."
