Reviews from Other Campers: 1) The following excerpts are from a campground description found in the "U.S. National Forest Campground Guide" web site (<http://www.forestcamping.com/index.htm>) : "...The campground is a small loop on the west side of Tioga Lake. Every camp site has magnificent view of surrounding peaks of Yosemite National Park and Ansel Adams Wilderness. All tent sites are walk-ins. Tioga Pass Resort has limited groceries, fishing supplies and offers breakfast, lunch and dinner. Day trips should be considered to Yosemite National Park and Mono Basin Scenic Area. Bear box food containers are available at most camp sites...This is bear country; practice safe food storage techniques. ...Most parking aprons are same size; travel trailers are not recommended..."
