Reviews from Other Campers: 1) The following excerpts are from a campground description found in the "U.S. National Forest Campground Guide" web site (<http://www.forestcamping.com/index.htm>) : "...The campground, among spruce trees, is adjacent to the fast- moving Conejos River with some sites overlooking the river. Enjoy panoramic views of the towering cliff walls. It is convenient to the South San Juan Wilderness and network of trails. ...This is bear country; practice safe food storage techniques.....The parking aprons are gravel..."
