Beautiful View: Mountains

Highlander RV Campground nestled in an Aspen and Spruce forest is surrounded by the San Juan Mountains. The campground is located only 600 feet from Lake San Cristobal and overlooks the Lake Fork of the Gunnison River.

Best Sites: Although the campground overlooks a river, the actual camp sites don't have views of the water; but all sites have beautiful views of the surrounding mountains. **** See notes in the Introduction.**

"...Quiet scenic location. Close to Lake Cristobal for fishing etc.. Hiking is excellent. The owners Don & Diane are the best. Lower sites enjoy the sound of a small waterfall that Don created from the natural spring that flows down the mountainside. Sites are well spaced and the park is elevated so all sites have nice views. ..."
