**Reviews from Other Campers:** 1) The following excerpts are from a campground description found in the "U.S. National Forest Campground Guide" web site (<http://www.forestcamping.com/index.htm>) : "...The campground, pack it in, pack it out [whatever you take in you take out - garbage, etc.], stretches along Park Creek among mature spruce. Many sites are adjacent to the creek. With heavy understory, the campground has the feel of spacious seclusion. Firewood is available for a fee...This is bear country; practice safe food storage techniques...The parking aprons are gravel..."
