"...This is a beautiful park. Great views and friendly people. ..."

"...We liked this campground because of its woodsy look and because it is off the beaten path. Less experienced drivers may have difficulty getting in and out because of the many trees and curving roads in the campground...."

"...Excellent campground in the North Georgia Mountains with views of the mountains all around. If you have a big rig, try to stay in the meadows otherwise, the sites are not large and can be difficult for 35 ft and over. ..."
