

Cape Ann Camp Site

Private Campground

Beautiful View: Ocean

Cape Ann Camp Site is an older campground located on a hillside very close to the beach with some sites having views of an ocean bay. The sites tend to be rustic and scenic and the owners try their best to preserve the natural beauty of the area. **Best Sites:** Call campground for recommendations on sites that have views of the bay. Also look at the photos section for photos of other sites with scenic views of the surrounding landscape. **** See notes in the Introduction.**

Reviews from Other Campers: Below are excerpts of reviews from campers who have visited this campground. These reviews can be found at the RV Park Reviews web site. Go to <http://rvparkreviews.com/regions/Massachusetts/Gloucester.html#CGID1357> to see the original reviews:

"...the area is great. The grounds are hilly and rustic and the sites are fairly large and in woods. The management could not have been nicer and were always helpful. ..."

"...Quaint campground with a lot of character on a hillside. Felt like we were really camping as opposed to an RV resort. ..."

"...An older campground that could use some maintenance. Nice staff and an excellent view of the bay. Very convenient to Gloucester and about 30 minutes from Boston...."
