"...This is a campground, pure and simple. It is not a fancy RV park with concrete, TV cable, etc. We stayed for three nights on the ocean and absolutely were delighted. ...Our view of the bay and the ocean could not be beat. If you want someplace that is quiet, away from the crowds, and has fantastic views, ask for one of the sites along the water. We camped here in a Motorhome. ... "

"...Gray's is a wonderful campground for anyone who wants to "rough it" just a little. The campground is situated on 40 woody, rocky acres on the Maine coastline, just 4 miles from the town of BoothBay Harbor. ..."
