"...Right on a large tidal bay, ... sandy beach adjacent. Very scenic area. ... Ocean sites are in large field area ... Overall the campground is spacious in general, outstanding scenic views, great location, but needs basic maintenance and groundskeeping. ..."

"...This is an awesome location for kayaking and boating. The sounds and smells of the ocean are really just only a stone's throw away. Tidal bay is sandy not muddy allowing you to walk out during low tide. The sites are grassy ... The campground has no frills other than the location. Owners are very nice ... We stayed on the Molly Point and had fantastic waterfront views. We camped here in a Motorhome."
