Reviews from Other Campers: 1) The following excerpts are from a campground description found in the "U.S. National Forest Campground Guide" web site (<http://www.forestcamping.com/index.htm>) : "...The campground, pack it in, pack it out, [whatever you take in, you take out, garbage etc.] is located in Boulder Canyon between the Beartooth and Absaroka Mountain Ranges. It is spread along Boulder Creek with some sites overlooking the creek. Several smaller National Forest Campgrounds (less then 10 sites) are located along State Rt. 298. The campground is tranquil and picturesque - well worth the long drive...Parking aprons are gravel..."
