**Reviews from Other Campers:** 1) The following excerpts are from a campground description found in the "U.S. National Forest Campground Guide" web site (<http://www.forestcamping.com/index.htm>) : "...The campground, older with lots of character, is composed of two separate loops. One loop touches the Badin (bay-din) Lake shoreline while the other is on a bluff overlooking the lake. The bluff loop has no potable water and slightly shorter parking aprons. The shoreline loop features camp sites adjacent to the lake and only water spigots in the campground. Virginia pine, oak and a variety of hickory trees provide lots of shade to the campground. Privacy between camp sites is good. The entrance gate is locked at 10PM and opened at 6PM...Badin Lake is 5,000 acres. No access is available at campground. However, there is a boat ramp 2 miles south at Cove Landing in the Arrowhead campground (National Forest). Maximum vessel height is 26 ft..."
