Reviews from Other Campers: 1) The following excerpts are from a campground description found in the "U.S. National Forest Campground Guide" web site (<http://www.forestcamping.com/index.htm>) : "...The campground, one of five in the Spring Mountains National Recreation Area, meanders around the top of a hill providing camp sites with magnificent panoramic views of Spring Mountains, and in the distance, Sheep Mountains, Mercury Test Site, and lights of Las Vegas. Mountain mahogany, Ponderosa pine, and juniper shade camp sites but do not limit the views. Although there is little ground cover, except rocks, placement of sites does provide good privacy...The parking aprons are paved..."

Nevada

Directions

From Las Vegas, travel north on Highway 95 to the junction with Highway 157 (Kyle Canyon), turn left and travel approximately 17 miles to the junction with Highway 158 (Deer Creek), turn right and travel about 4 miles to the campground, which is on the right.
