**Reviews from Other Campers:** 1) The following excerpts are from a campground description found in the "U.S. National Forest Campground Guide" web site (<http://www.forestcamping.com/index.htm>) : "The campground, pack it in, pack it out [whatever you take in you take out - garbage, etc.], stretches up Lye Creek drainage in a stand of Aspen. The elevation and ample shade make the campground a comfortable place to be in hot weather. The colorful Aspen leaves should make the campground a good stop in the fall too. Sharp eyes may spot Bighorn sheep in the surrounding rugged mountains..."
