Reviews from Other Campers: 1) The following excerpts are from a campground description found in the "U.S. National Forest Campground Guide" web site (<http://www.forestcamping.com/index.htm>) : "...Campground is located on a small, pleasantly wooded bluff above the Alsea River. Some sites overlook the river. There is a large trimmed grass open area where some sites are located. Campground's overall appearance is manicured...The parking aprons are paved. There is gray water disposal facility at each site...The Alsea River is popular for drift boats..."
