"...This park is the best park we have ever stayed in. ... We love it here! The river and forest are incredibly beautiful. The owners of the park, and their staff, are so considerate, helpful, cheerful and hardworking. They keep the park immaculate. There are large pots of flowers throughout the park and at each site. Large grassy areas separate the long and level paved sites. This is a wonderful park. ..."

"...This is the best park we have ever visited. Large easily accessible sites, beautiful surroundings; lots of hikes nearby, trees, river view, lush landscaping, well maintained, very friendly and helpful staff ..."
