Reviews from Other Campers: 1) The following excerpts are from a campground description found in the "U.S. National Forest Campground Guide" web site (<http://www.forestcamping.com/index.htm>) : "...The campground is located adjacent to Pacific Ocean with some sites overlooking the ocean and beach. It is very scenic and manicured. If camping by the ocean is the objective, then Tillicum Beach campground is the place to go... The parking aprons are paved. There is gray water disposal tub at the bathrooms...The campground is adjacent to the Pacific Ocean. ..."
