"...We were lucky enough to get a site with concrete pad right in front of the beach. What a view! The campground was large and very well run. The staff were friendly and helpful. They have it all, here: 2 pools, a rec center, playground, huge laundry facility, snack bar, and a general store and so much more. It's a bit pricey, even though off season, but you couldn't find a nicer resort in which to stay. We camped here in a Motorhome...."
