Reviews from Other Campers: Below are excerpts of reviews from campers who have visited this campground. These reviews can be found at the RV Park Reviews web site. Go to <http://rvparkreviews.com/regions/Virginia/Wytheville.html#CGID3108> to see the original reviews:

"...Gravel roads/sites with grass between sites with small concrete pad that picnic table sits on. Majority of sites are pull-thru and fairly level. Campground is mostly open with medium sized trees in between most sites. Big rig friendly. We stayed on site 27 and would return. We camped here in a Motorhome. ..."
