"...Very lovely people, a 'homey' atmosphere. Clean, clean, clean place. Lake is pretty ... Nestled in a mountain the sites are big and the place is very well taken care of. The owners really care that you are happy. ... Very nice place and a place that is easy to recommend. We camped here in a Motorhome. ..."

"...if you are looking for a beautiful, quiet, friendly, but not well known campground, this one is for you. There is no swimming pool but there is a man made, spring fed pond that's available for swimming and canoeing. Whether you're in a tent, 5er, or Class A, you'll find this campground a comfortable stopover for a night or a month. At about 2,200 feet you will have a bit of a climb up ...but don't pass this one by. We camped here in a Fifth Wheel. ..."
