"...Good clean park with WiFi. Backin sites were of adequate size and next to the river...."

"...An undiscovered gem! This is a very attractive park, with most sites backing along a swiftly moving river: very relaxing sound. The owners couldn't be friendlier (southern hospitality way up north) ..."

In addition, there are 6 very long pull-throughs that run from one side of the circle to the other and can accommodate any size RV. A couple of small flower gardens are also located within the circle. ..."
